

Marriage is a Dance

A Christian Marriage Workshop

Valentine's Weekend

February 12 and 13, 2010

Learn to make your marriage work like a beautiful dance with your spouse... This workshop takes the tangible lessons of ballroom dancing and integrates them with the perfect wisdom of God and advice from a Christian marriage expert to form the most fun, romantic and effective way to transform your marriage. This workshop is led by seasoned ballroom dance instructor, Sean Forhan with assistance from Page and Jolie Parker, who have witnessed the miracle of these Bible-based principles in their own marriage. You'll learn the basics of Rumba, Waltz and Salsa in hours, not weeks. And you'll acquire some great new relationship tools at the same time. Six hours of workshops followed by a two-hour dinner/dance. \$150.00 per couple including dinner and study materials.

Friday	6:30 pm to 10:00 pm
